

Mutoh Europe's Technical Training Sessions

As a Mutoh dealer/distributor, representing the Mutoh brand in your region, it is very important to have a good knowledge of the technology used and to understand how to maintain the equipment.

Good technical support and customer follow-up results in equipment performing according to the high Mutoh standards with high quality print results.

We hereby invite our partners (technical staff) to one of our live technical training sessions at our premises in Belgium, where all models and tools are available for an in-depth and practical hands-on class.

Mutoh Europe Training Conditions:

- Only official Mutoh partners are allowed to subscribe (contract between Mutoh and participant must be valid).
- Subscription is done by sending an email to wendy.vermeulen@mutoh.eu. The application will be evaluated for acceptance.
- 5 available seats per session.
- Max 2 engineers per customer.
- Priority is given as follows:
 1. Technicians from new dealer/distributor
 2. New technician from existing dealer/distributor
- In case additional engineers from a company need to be trained this can be evaluated case-by-case. If seats are available they can join at a training fee of 500€ per session per extra attendee.
- For trainings about new models or platforms, experienced engineers can attend (decided on a case-by-case).
- Subscriptions are possible until 2 weeks before the training start date. At that time confirmations will be sent.
- Cancellations can be made by sending an email to wendy.vermeulen@mutoh.eu until 10 days before the start of the training. If a cancellation is made after this date the 500€ training fee will be invoiced.
- Since all info and documentation shared is confidential, an NDA will need to be signed prior to the start of the training.
- The course is given in English.
- At the end of the session, each participant will receive a "training certificate".
